

INTERNATIONAL COMPETENCY TEST: 2024-25

Introduction of International Competency Test ?

CTF's International Commerce Olympiad is the outcome of the vision of teachers who have vast experience and are practicing in reputed schools of the country. They better understand and value the need of the students. It is observed that students of class X are missing such opportunity, where they can explore and develop their competencies. For any student competency in Mathematics and Language is utmost essential not only for their academic excellence but also in shaping their career.

Considering such need of our young students, Team CTF has decided to introduce Olympiad for class X students also with the name "**International Competency Test**"

Why CTF's International Competency Test -2024 ?

1. It enhances competitiveness among students, as it is held at International level. Through this they come to know where do they stand in competition.
2. Incorporating subjects like Mathematics , English, Reasoning and General Awareness facilitate young students to excel in CBSE as well as competitive exams after class 10th
3. CTF's ICT provides best practice for **original** competency-based questions.
4. CTF's ICT is a unique assessment tool to test students' preparation for Mathematics and other subjects through one exam only.
5. It helps students in judging the **clarity of concepts** of Mathematics
6. CTF's ICT Question Paper is prepared by a team of highly experienced faculty members from renowned educational institutions of the country.
7. Participation in CTF's ICT-2024 **instills confidence** and boosts morale of students to appear for CBSE Board Exams as well as other competitive exams.
8. Participation in CTF's ICT-2024 **adds students profile**, as its certificates are acknowledged by many premium institutes of India and overseas.
