

Why CTF Olympiad?

1. It has incorporated subjects Economics, Mathematics, English and Reasoning (General Test) so as to facilitate commerce students (Class XII) excellence in CUET.
2. Inclusion of MCQs in CBSE Exams too.
3. CTF's Olympiad provides best practice for original case-based and competency-based questions.
4. CTF's Olympiad is a unique assessment tool to test students Accountancy and Business Studies preparation, through one exam only.
5. It helps students in judging the clarity of concepts of Commerce subjects
6. It enhances competitiveness among students, as it is held at International level. Through this they come to know where do they stand in competition.
7. CTF's Olympiad Question Paper is prepared by a team of highly experienced commerce faculty from renowned educational institutions of the country.
8. Participation in CTF's Olympiad instills confidence and boosts morale of students to appear for CBSE Board Exams as well as other competitive exams.
9. Participation in CTF's Olympiad prepares students to appear for competitive exams like CUET (Common University Entrance Test), CA Foundation etc .
10. Participation in CTF's Olympiad adds students profile, as its certificates are acknowledged by many premium institutes of India and overseas.

Criteria for Ranking in Vanijya Shree 2023

1. School is eligible for ranking if the minimum number of participation is 10 students in each class.
2. Only one student from a school will be included in the ranking. This applies for both the classes XI and XII and also both the Rounds (session 2024-25). This criterion has been framed by CTF to encourage students from wider school base.
3. If two students have same marks then the combined marks of Accounts and Business Studies are considered for deciding the rank.
4. In the best interest of students and schools fraternity, the core committee of CTF has the right to modify these norms at its discretion without prior information.
