

Why CTF's International Competency Test : 2024-25 ?

- It **enhances competitiveness** among students, as it is held at International level. Through this they come to know where do they stand in competition.
- Incorporating subjects like Mathematics, English, Reasoning and General Awareness facilitate young students to excel in **CBSE as well as competitive exams** after class 10th
- CTF's ICT provides best practice for **original** competency-based questions.
- CTF's ICT is a unique assessment tool to test students' preparation for Mathematics and other subjects through one exam only.
- It helps students in judging the **clarity of concepts** of Mathematics and English language.
- CTF's ICT Question Paper is prepared by a team of highly experienced faculty members from renowned educational institutions of the country.
- Participation in CTF's ICT 2024-25 **instills confidence** and boosts morale of students to appear for CBSE Board Exams as well as other competitive exams.
- Participation in CTF's ICT 2024-25 **adds students profile**, as its certificates are acknowledged by many premium institutes of India and overseas.
